

## Social Psychology Club

### October 4, 2005 – Meeting Minutes

#### Present:

Angela Broadus  
Maia Finholm  
Kati Toth

#### Old Business:

1. Kati completed and submitted the paperwork for GSA recognition. As it is a renewal, GSA indicated that we do not have to attend their meeting on 10/12/05.
2. The Social Psychology Club Constitution was submitted with no changes at this time.

#### New Business:

1. Changing the Club Constitution: We decided to present to all club members the idea for changing the Constitution (officer voting – move from Fall Semester to Spring Semester) in November, after the 1<sup>st</sup> regular club meeting
2. All officers agreed to have one regular Club meeting per month with all members invited to attend. Maia will poll all members for an acceptable time and day of the week, and then we will set the meeting for November.
3. Maia is sending out an email to all Club members requesting event feedback. Once this information is gathered, we will meet to schedule this year 2005-2006
4. We voted to repeat last year's Halloween party on Wednesday, 10/26/05, from 11-2pm in MSS 345. This party will be for Sociology and Social Psychology, plus open to all campus grad students (per GSA). MSS #345 room is open on that day and Angela has reserved the room. Kati and Maia completed the GSA funding request to pay for decorations, food, & drinks (\$97.00). All officers will attend the 10/12 GSA meeting to petition for funding. If denied, we will contact Julie Martinez and Colleen Murray for funding assistance. We will offer water, sodas, deli trays, fruit, and cookies.
5. We found no paper trail for GSA funding given to the Club last year. As this paperwork is necessary to establish a funding trail, we agreed to keep copies of all funding from now on.
