The Twelfth Annual  
**Evening With Industry**  
by  
**Society of Women Engineers**  
*University of Nevada, Reno*

Society of Women Engineers is proud to present Evening With Industry (EWI), an event that has been instrumental in bringing students and industry together. EWI provides a casual atmosphere for students to meet with professionals and discuss experiences and opportunities in different engineering fields. EWI also serves as recruiting ground for the industry.

This year, EWI is, Monday, November 5<sup>th</sup>, 2007, the evening before the Engineering Technical and Science Career and Internship Fair hosted by the University of Nevada, Reno Academic & Career Development. We strongly encourage you to attend both events.

EWI will be held at the Siena Hotel Spa Casino with a no-host bar at 5:30 pm and dinner beginning at 7:00 pm. Please RSVP by filling out the attached registration form and mailing it to the address listed at the bottom of the form by October 10, 2007.

We appreciate your cooperation and support. Please visit our website for last year sponsors (<http://www.asun.unr.edu/clubs/swe/>). We will be recognizing your sponsorship on the SWE web page and at the event. Sponsorship for the dinner offsets the cost for our students and other costs associated with the event. It also benefits the Society of Women Engineers student section.

If you wish to speak to a SWE representative please contact  
Rashi Tiwari at [nvswepres@yahoo.com](mailto:nvswepres@yahoo.com)

For Career Fair information, you may also contact Judy Carrico at
